

WALK 4.

St James Church to Birch Heath Common, Rake Lane, then Plough Lane to The High School & Village Green. 3.8km

Start outside St James Church, or from the Village Green, cross the road carefully and then walk along the pavement of Birch Heath Lane to the footpath on your left just before you reach The Park. Go through this traditional Christleton old sandstone stile and follow the footpath diagonally left until you reach the line of trees. Keep to the right and follow the footpath to Birch Heath Common going through another 2 old sandstone stiles until you reach a large marl pit on your right. Continue walking along the green path around the pit/pond, passing a memorial seat to John Salter, and then follow the walkers path across the common.

When you reach the low fence at the corner of Birch Heath Lane and Stamford Lane, cross over Birch Heath Lane and walk safely along the right hand side of the road towards Rake Lane, and the Plough Lane crossroads. Turn right here onto Plough Lane and walk on the pavement along Plough Lane back to the High School, and then right along Village Road back to the Village Green or St James' Church.
