

## **Christleton Primary School report for Christleton Parish Council AGM May 2023**

Although Covid has not completely gone away life at Christleton Primary School as returned to normal pre pandemic days with most restrictions lifted. So, it has been a fairly active year for the school. The Council liaises regularly with the school and they are given the opportunity to raise any issues to be discussed at council meetings.

### **Themed weeks have included:**

Health week including Race for life and Sports day

Anti bullying week in November

Science Week

They were also featured on Dee Radio's School of the week in October when listeners could hear from the children at 4.30 each evening.

There was a Scholastic book fair after school every afternoon for a week which raise £685 for the school library.

### **Themed days have included:**

A French day which included stories and activities in French, tasting French food, a sweet stall where the children asked for what they wanted in French and activities and games in the Playground and on the field aimed at increasing the children's French vocabulary.

World Book Day

World Maths Day

Internet Safety Day

The school supported a charity by holding a Macmillan Coffee morning in October.

### **Sports this year have included:**

Football

Cricket taking part in the County Cricket finals (both boys and girls) and the interschools Girls Cricket Tournament.

Rounders taking part in the Chester Schools rounders tournament

Athletics taking part in the interschools Athletics competition

The interschools cross country competition

Yoga

Last Summer term saw the celebration of the Queen's Jubilee. The Council asked the School what they would like as a souvenir and the vote was for teddy bears.

The School hosted the village fete on the school field.

Some yr6 pupils took part in the 'AmaSing' schools singing performances at the Storyhouse in June and there were the usual leavers end of year performances in school.

The School visited St James Church for their Harvest celebration and donated gifts to the Food Bank.

They were also in the Church for their Christmas performances.

Residential trips are back after the pandemic and there have been trips to Nant, Pentre and Conway

Music tuition is available in school for piano and woodwind instruments as well as group guitar lessons.

The School have coped well with record high temperatures at the end of the summer term and had fun in the unexpected snow in March.

As ever the School are very grateful for the support of the PTA which raises considerable funds for those extras which make a huge difference to the life of the School.
